

British Exhibitors at SILMO

SILMO Paris 2015 25-28 September 2015

Algha work/ Savile Row

Savile Row is a long established original, timeless and elegant eyewear brand. It's no wonder Savile Row frames attract such an iconic celebrity following, such as Johnny Depp, Brad Pitt, John Lennon, Denzel Washington, Steve Jobs, Audrey Hepburn, Harrison Ford, Eric Clapton and even Harry Potter. Our frame makers are passionate about what we do, creating timeless pieces, in the heart of London. Our makers pour years of experience and days of hard work into each beautifully crafted frame. This is truly tailored eyewear, at its finest.

Oliver Goldsmith sunglasses and Claire Goldsmith

Oliver Goldsmith has been a family-run business for over 80 years. Founded in 1926 by P. Oliver Goldsmith, the world of spectacles was about to be revolutionised. Sunglasses gained high profile status during the mid-fifties and a selection of unusual designs started to appear. OG's were becoming not only a means of protecting eyes from the sun, but also a fashion statement.

<http://www.clairegoldsmith.com/>

Prism London

PRISM was launched in 2009, by founder/creative director Anna Laub – an ex-style editor – born out of a desire for optical glasses that were both fashionable and functional. Her love of sunnier climates, together with her obsession with functionality and an attention to detail, has brought her to develop her minimal aesthetic into a whole range of resortwear products all the while maintaining the same ethos – to make luxury products that are equally functional as they are beautiful.
