**The WCSM is holding a Moot Meeting open to all  
on the Saturday at 4pm in the Main Seminar  
Theatre where you can experience the friendship  
and networking opportunities of our regular  
events**

The Moot where *'Any Questions?'* meets *'Question Time'* in a discussion fuelled by questions from the audience principally, but not exclusively, on two themes:

- Why is a nearly 400 year old City Livery Company relevant to 21<sup>st</sup> century optics?
- What does the public want from optics - and how might that change in the future?

The best question asked by an audience member will attract a prize. Everyone attending the Moot will be entered into a draw to win a case of wine - delivered to any UK address. Apply for tickets by email to [clerk@spectaclemakers.com](mailto:clerk@spectaclemakers.com) (collect from Stand W75). Tickets for those not able to plan ahead will be available on the WCSM Stand during Saturday.
